

## **Guidelines for Advertising on SGFSA website.**

SGFSA advertisement fee's for tryouts on SGFSA website are \$200 a year per team.

SGFSA team registration fee's include website advertising fees for the calendar year of participation. (For example: If your team participated in SGFSA league play in 2011, you may advertise on the website through December 31, 2011 at no additional cost.)

SGFSA advertising fee's paid after January 1 may be applied to SGFSA team registration fee's for that calendar year. (For example: If you want to post an ad on the website after January 1, 2012, you will need to pay the \$200 advertising fee for each team, which may be applied to your 2012 SGFSA team registration fee.)

10U teams are exempt from SGFSA advertising fee's with the requirement that the ad includes ".... will be playing in Spokane Girls Fastpitch Softball Association league play (SGFSA)...." or similar.

Advertisements will be posted to the SGFSA website within 48 hours of payment.

All advertisements must be approved by SGFSA prior to being posted.

Once advertisement is posted, there are NO REFUNDS.

SGFSA reserves the right to deny any person, organization or team from advertising on the SGFSA website.
